Radio Code Recording - Case

1. In compliance with your request of 25 February 1955 (no DAS number) we have obtained a tape copy of the wire recording which [redacted] made of a message from outer space. They prize the original wire recording too highly to relinquish it, even to the government; however, they were overjoyed that we showed an interest.

2. They have recently heard from the Chicago box radio operators who also claim to have recorded such messages so if you find this one interesting, we will be glad to track down the others. Our Chicago representative would appreciate knowing that your conclusions are.

Inclosure: As stated above
